

When should children receive their Sacraments?

Baptism- as an infant, or when the family chooses. If a child is no longer an infant and has reached the age of reason, (7 years old); the **Guidelines for Sacramental Preparation** apply. Parents must meet with the Director of Sacramental Preparation to make arrangements and sign up for the children's *RCIA, Sacramental Preparation Program or the Rite of Christian Initiation for Youth, RC1Y.*

First Reconciliation— after reaching the age of reason, (7 years old); and be on his/her second consecutive year of Faith Formation, and completing First Reconciliation requirements

First Eucharist—After having celebrated First Reconciliation, and having completed First Eucharist requirements

Confirmation—At St. Mark, candidates must be of High School age and having completed Confirmation requirements.

Readiness, not age or grade, determines the reception of the Sacraments.

A parent may choose to wait longer than described above for sacramental preparation after consideration of what is in the child's best interest.

PROCESS OF SACRAMENTAL PREPARATION:

Whether the student attends a Parish program or Catholic school, Sacramental Preparation must be done in the parish that the family is registered.

Remote Preparation—participation in Catholic School or Parish Faith Formation Program. A student should be enrolled and actively participate in Faith Formation classes for *two years* to prepare for the sacraments.

Immediate Preparation—Sacrament Specific Catechesis occurs during the 2nd year of preparation and is a separate and distinct program from Faith Formation.

High School Teens who have not yet received these sacraments will prepare to receive them through RCIY, the Rite of Christian Initiation for Youth. The requirements are two consecutive years of preparation. During their first year, students will participate in Faith Formation class at their school grade level.
